

APPLICATION FOR ADMISSION TO ADDITIONAL UNDERGRADUATE DEGREE PROGRAM

Use this form to apply for admission to an additional undergraduate degree program. An additional degree program is an undergraduate degree program that is *different* from the one you have completed or will be completing at the University of Minnesota. For example, you may be interested in pursuing a B.A. degree after completing a B.S. degree. Apply for admission to an additional undergraduate degree program only if you intend to complete all degree, major, and coursework requirements for the additional degree.

The University of Minnesota confers no more than one degree of any degree type to an individual student. For example, a student may not receive more than one B.A. degree from the University of Minnesota.

Do *not* use this form to change your major or add a second major in another college; contact your college for instructions on making these changes.

You will be notified of the program's decision by mail. Please make sure that your mailing address is correct or that your mail will be forwarded. The address on this application will be used to update your address for University mailings. Later updates to your address will replace the address given here.

NOTE: Financial aid options for students who have completed an undergraduate degree are limited. Contact One Stop Student Services or go to www.onestop.umn.edu/Finances for more information on the availability of financial aid to fund an additional degree program.

Sign and date this application. Submit to the appropriate office (see campus addresses on the next page). If you wish to withdraw this application, you *must* notify the Registrar's office on the campus to which you have applied.
