

# University Policy Process Flow Chart: Student International Travel and Education Abroad

\*Definitions of terms used in this chart are found at: <http://www.policy.umn.edu/Policies/Education/Student/EDABROAD.html#500>

\*\*If students are participating on a program not affiliated with the University during a required term (fall or spring), for which they must be registered for credit on campus, students must take a leave of absence for that term. During a leave of absence, a student is not a UMN student and therefore has no University supports and is not held to University policy.
