Transaction Justification
Endowment Transaction

WHAT
Transaction type satisfies this requirement

WHO
The person authorizing the endowment deposit or withdrawal of funds.

WHERE
Description of participant satisfies this requirement. If PUF endowment, make sure there is a corresponding UMF transaction.

WHEN
The entered-on date may be sufficient. If it does not reflect the fiscal year that the funds will be used, make sure to document it in the description.

WHY
Deposit: Specify what has created the surplus in funds that are being deposited and how they will be used in the future.
Withdrawal: Specify how the funds will be spent. This should coincide with the donor intent.
