

Instructions for Completing the Employee Expense Worksheet (UM 1612)

Please note that parts of this form are password protected. You will only be able to input data where you are allowed, according to the protected settings.

Employee Expense Worksheet (EEW)

Use the EEW to document expenses to be reimbursed (while the intended use is for employees; it can be used to facilitate reimbursement to nonemployees, if needed). Complete the EEW online. The form is programmed to automatically calculate the mileage rate, the total of each line, and the total of each page of the form. This form captures all information required by policy. If an alternative form is used, it must require equivalent data.

SIGNATURES (Required)

1. **Signature of Payee and Date:** If the payee is the preparer of this report in PeopleSoft, their electronic signature in EFS is sufficient. If not, the employee seeking reimbursement must sign the form.
2. **Authorized Signature and Date:** If the appropriate authorized signer does not apply an online approval of the reimbursement request in EFS, then the authorized signer's actual signature is required on the form.

Per the Travel policy (<http://policy.umn.edu/Policies/Finance/Travel/TRAVEL.html>), an authorized signer for travel is someone who has the authority to approve or deny payment of the travel expenses. Normally the authorized signer is one level senior to the traveler but it may be other person(s) in the department or unit who are not one level senior who have been delegated the authority to approve or deny travel expenses. Under no circumstances should the delegation of approval authority create a situation where an employee is approving the expenses of their supervisor.
